

WATOC Challenge for 2023

This is open to all members of any club under the WATOC Umbrella, on any bike; although obviously we would prefer it to be a TRIUMPH.

We will reward attendance at rallies but will award points for distances travelled as shown below:-

5 points -- upto 200KM

10 points -- upto 500KM

15 points -- upto 800KM

20 points -- upto 1000KM

25 points -- over 1000KM

Distance to be recorded and signed off on the usual Challenge card (available at the WATOC website)

In the event of a tie, places will be determined on total distance. All distance recorded should be one way, not return trip. There is no limitation on the number of different bikes an entrant can use.

Completed Rally entry cards to be sent to Geoff Walton before end December 2023.

Entry cards to :
